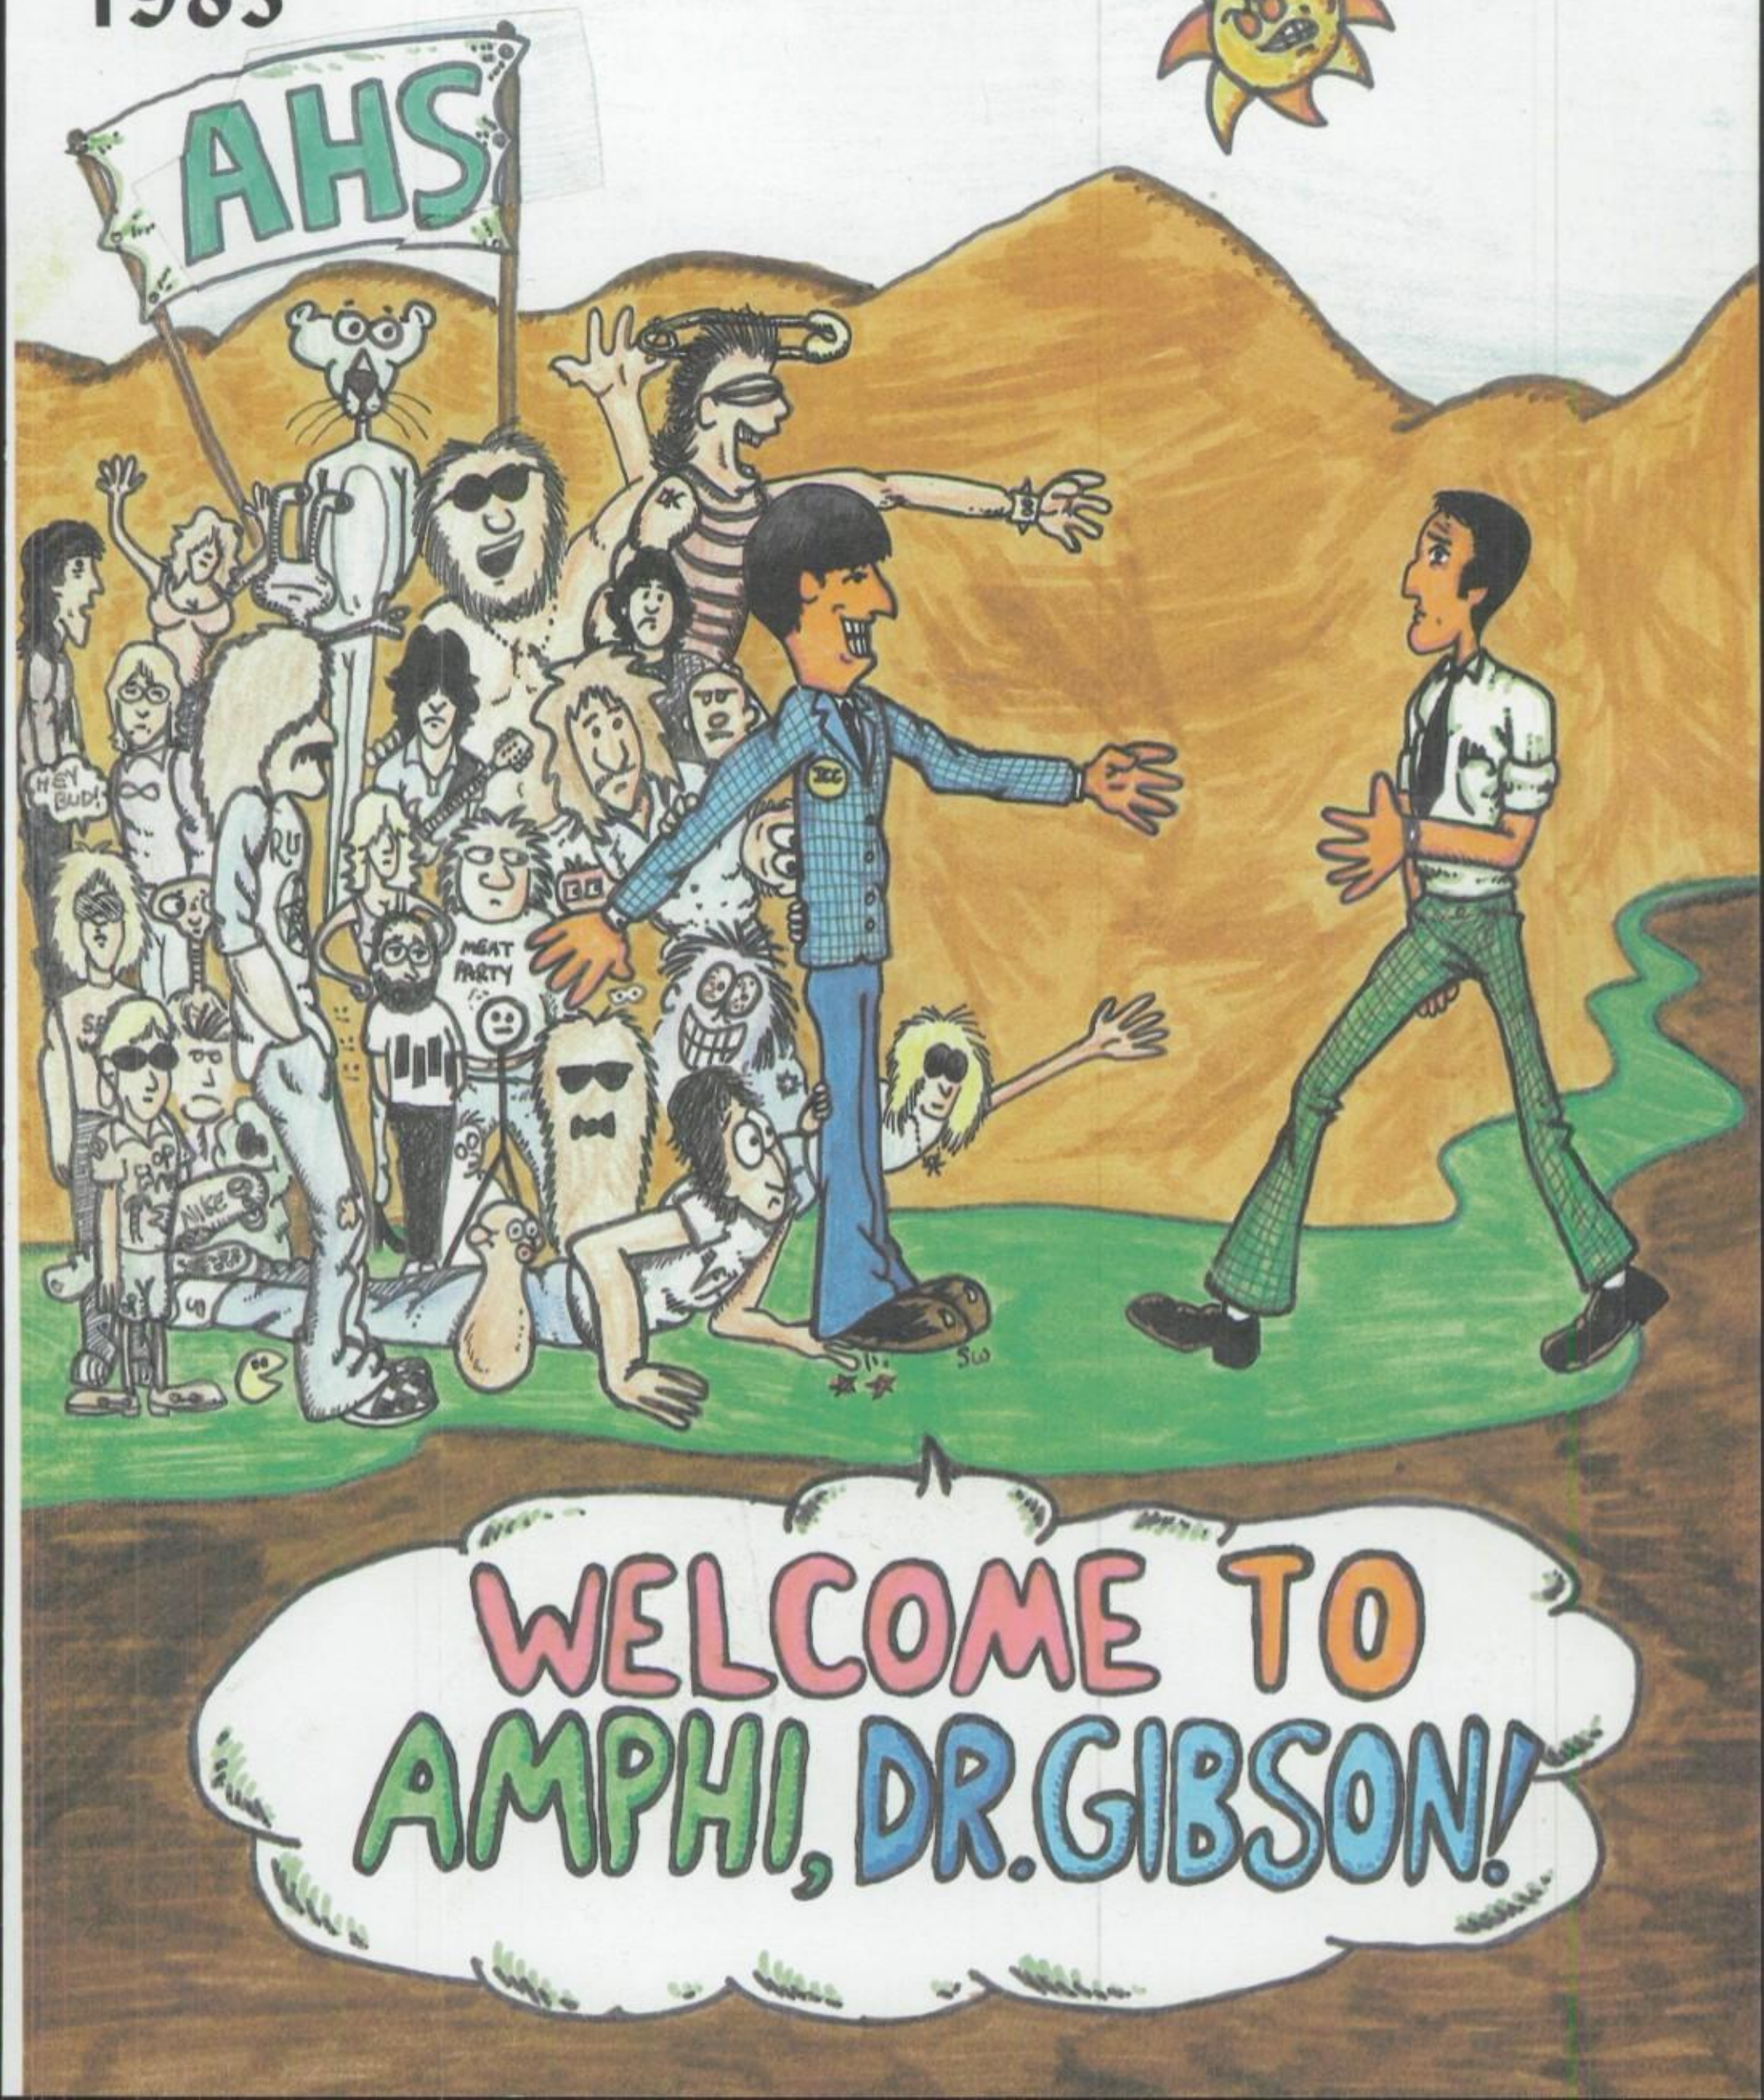
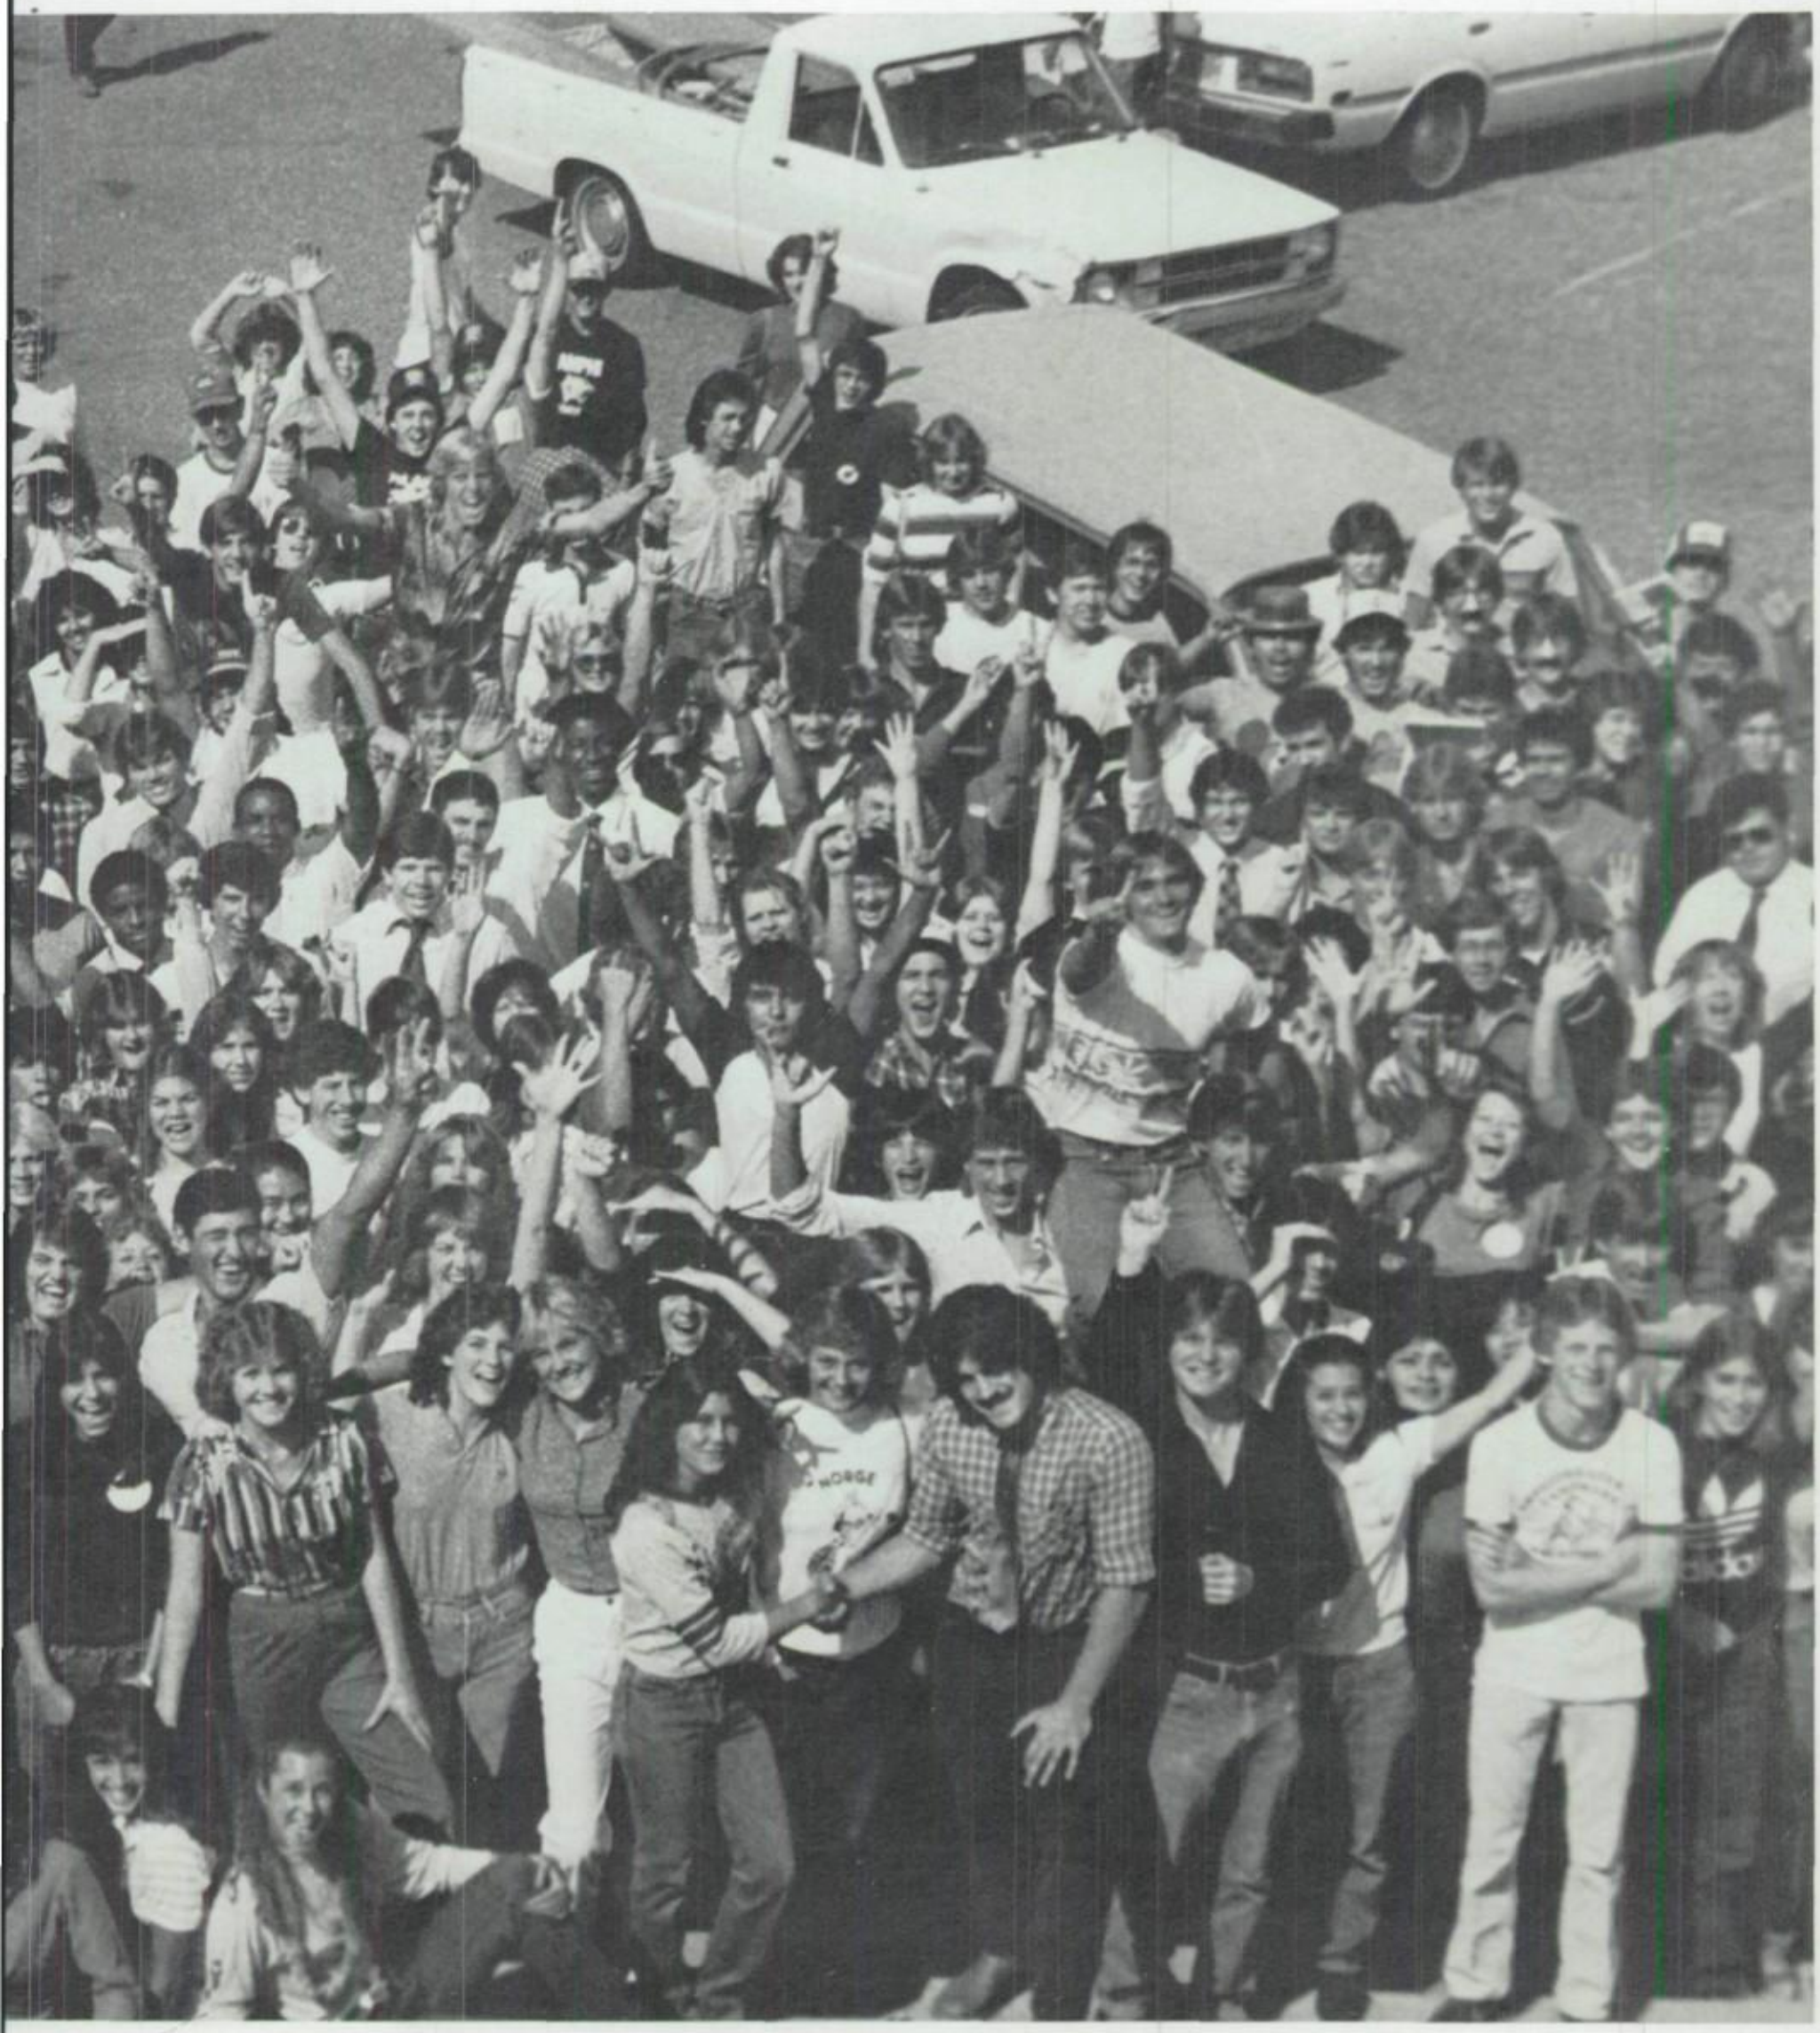
PANTHER TRAILS
1983



SENIORS

1982-83



Pastel shades of memories
Now blurred by wistful tears
Recalling how the years rolled by
The laughs, the hopes, the fears

Faces in a picture book
Friends of yesterday
Family of a different sort
Yet the love, it was the same

From freshmen onward
So intriged, the fascination grew
Bonds were formed
Backbone structure of our maturing
youth
But now we've gained the basis
To move beyond, to grow
Leave these familiar hallways
This school, our adopted home

So with a bittersweet good-bye
A half-sensed longing to return
Emerge to face new challenges
Prepared with all we've come to learn

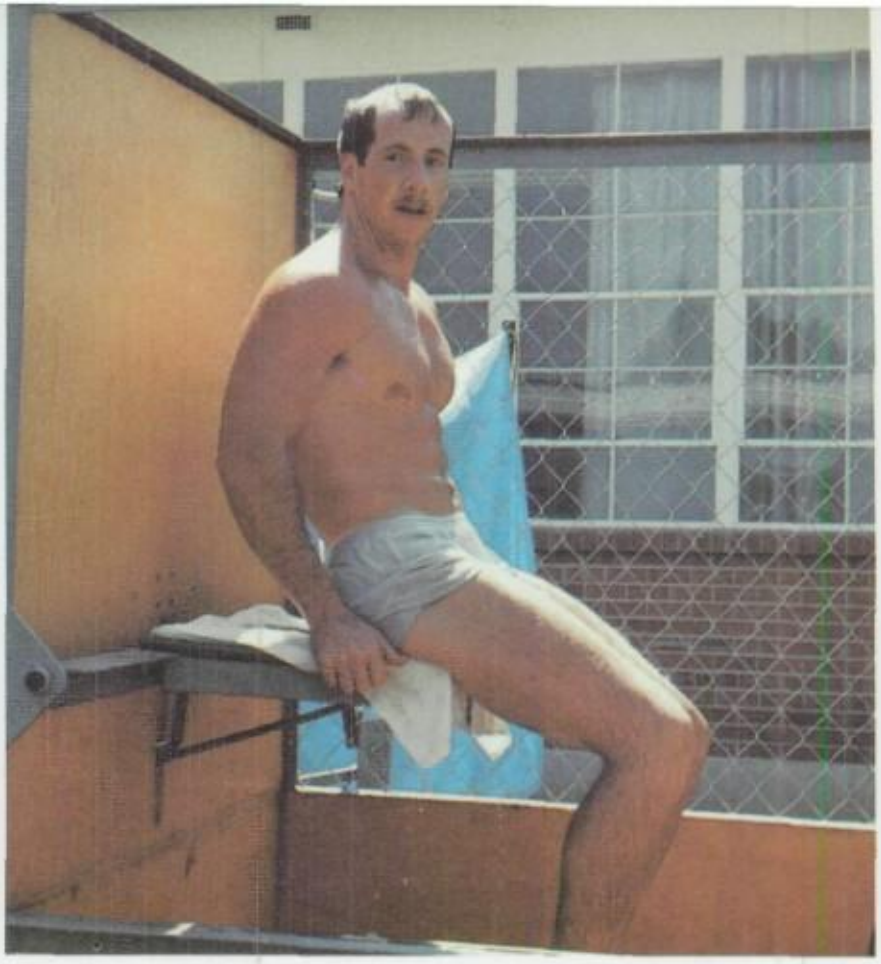
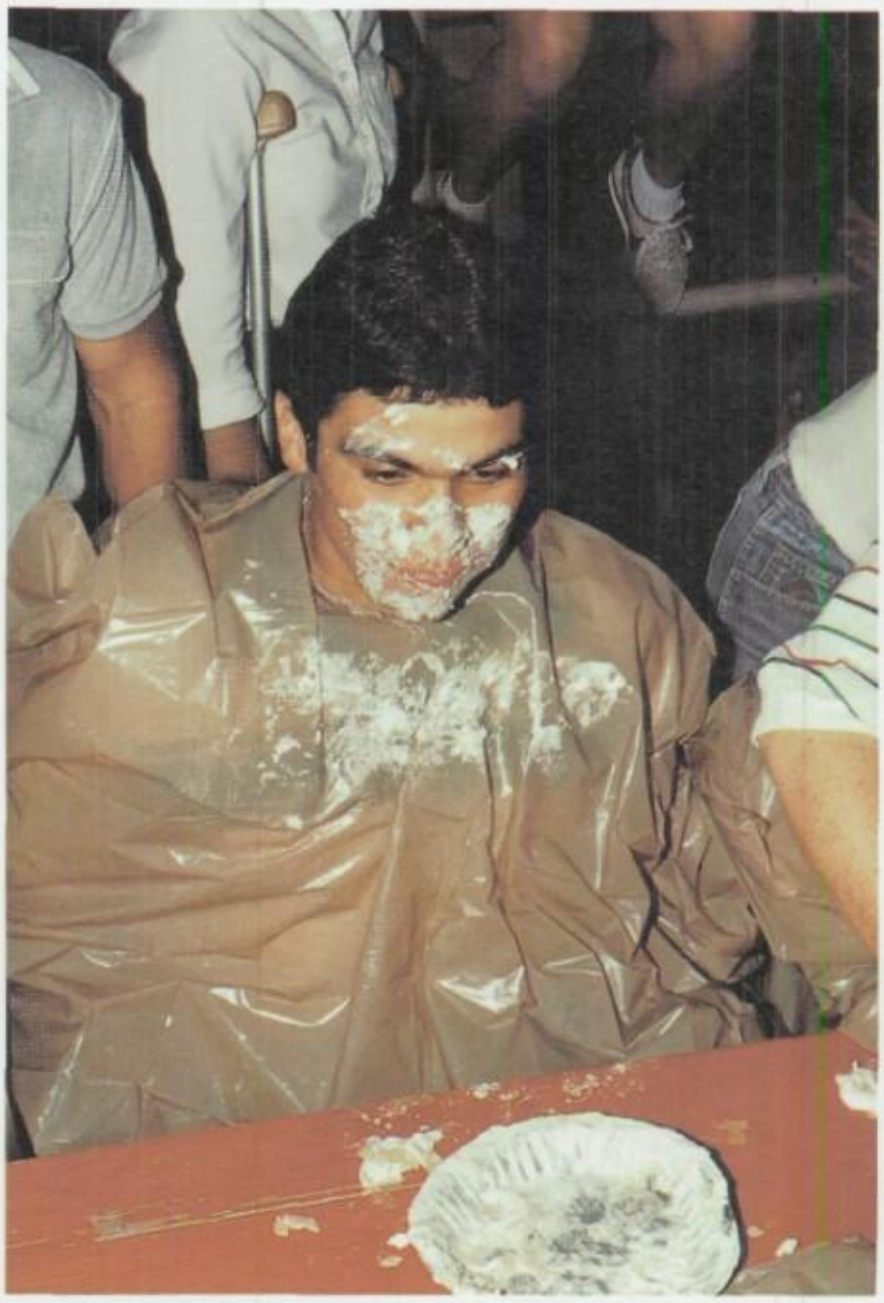
STUDENT LIFE

Top- Up with people, you meet them wherever you go! Middle left- Hall groupies pose. Right- An energized Wendy does her routine. Bottom- Lunch time pals, Janelle Scheeler and Jeff Landwehr.



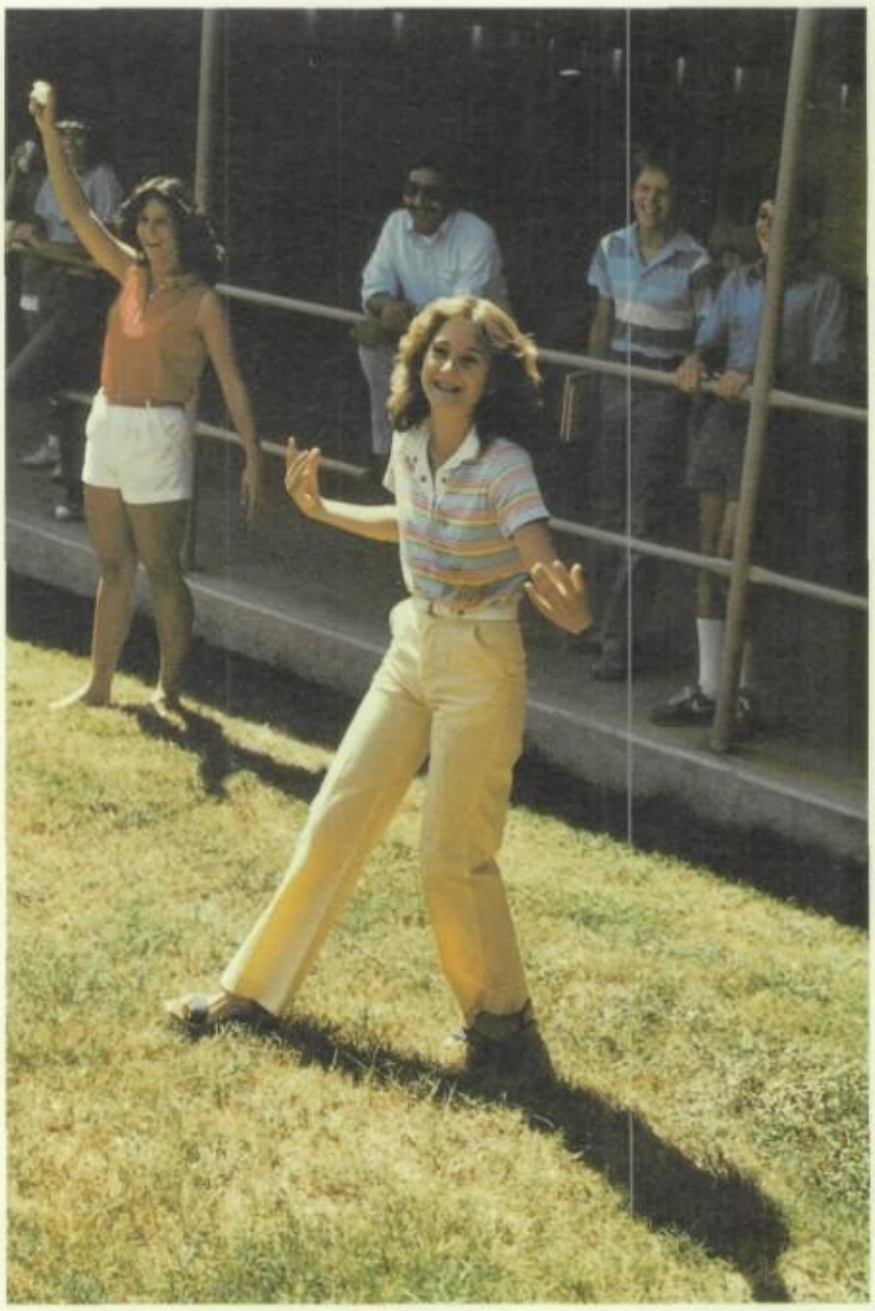


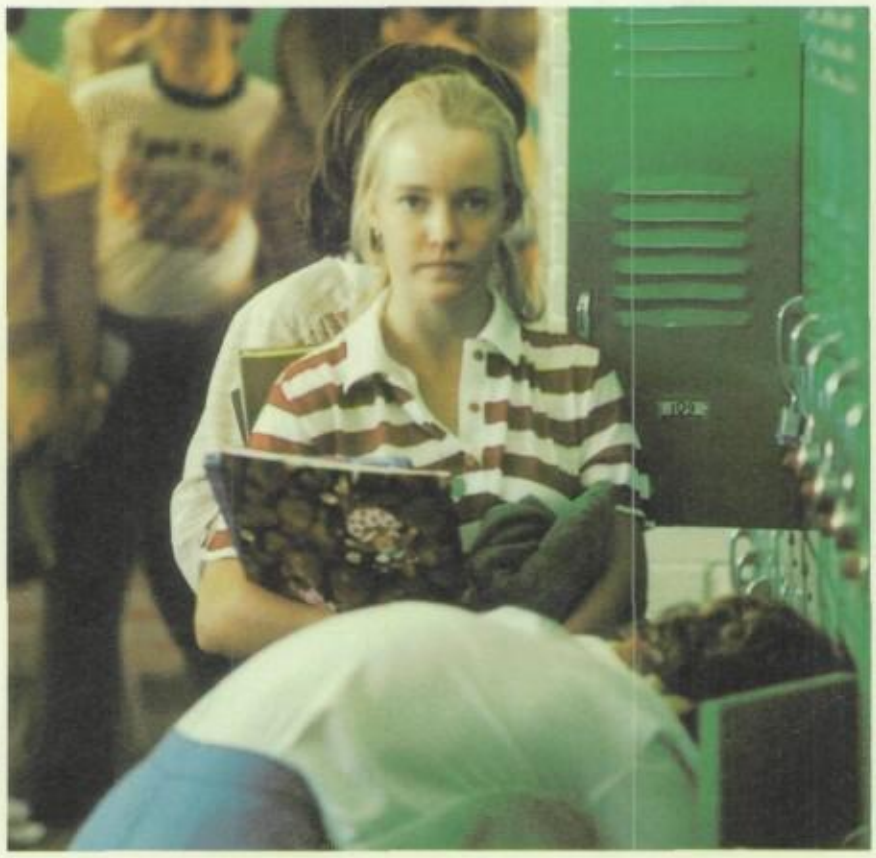
Top Left: Kent Loganbill complains "This *#&@!!* machine!" What do they mean, 'only after school'?" Right: Steve Waterson wants to know, "Hey, sexy, your pool or mine?" Bottom Left: Kermit swings into the Amphi spirit. Bottom Right: Oscar "I can't believe I ate the whole thing" Bermudez. Now for the plate.

STUDENT LIFE

Amphi Pride (am fi prid) n.— 1. Taking time to do a little extra. 2. Supporting school events. 3. Respecting others. 4. Becoming involved. 5. Having school spirit. Usage: From keeping our campus spotless, to cheering fans and friendly smiles, Amphi Pride shines through.

In high school, students experience very different life-styles, yet together we share Panther Pride and many good times. Throughout the years at Amphi, students will grow, goals will change, and friendships will expand. Each year at Amphi, we are left with many special memories. Together though, Panther spirit and Amphi pride reflect the unity, involvement, and support of every student within their school. On the following pages, the pictures of student life show Amphi Pride in many different ways.



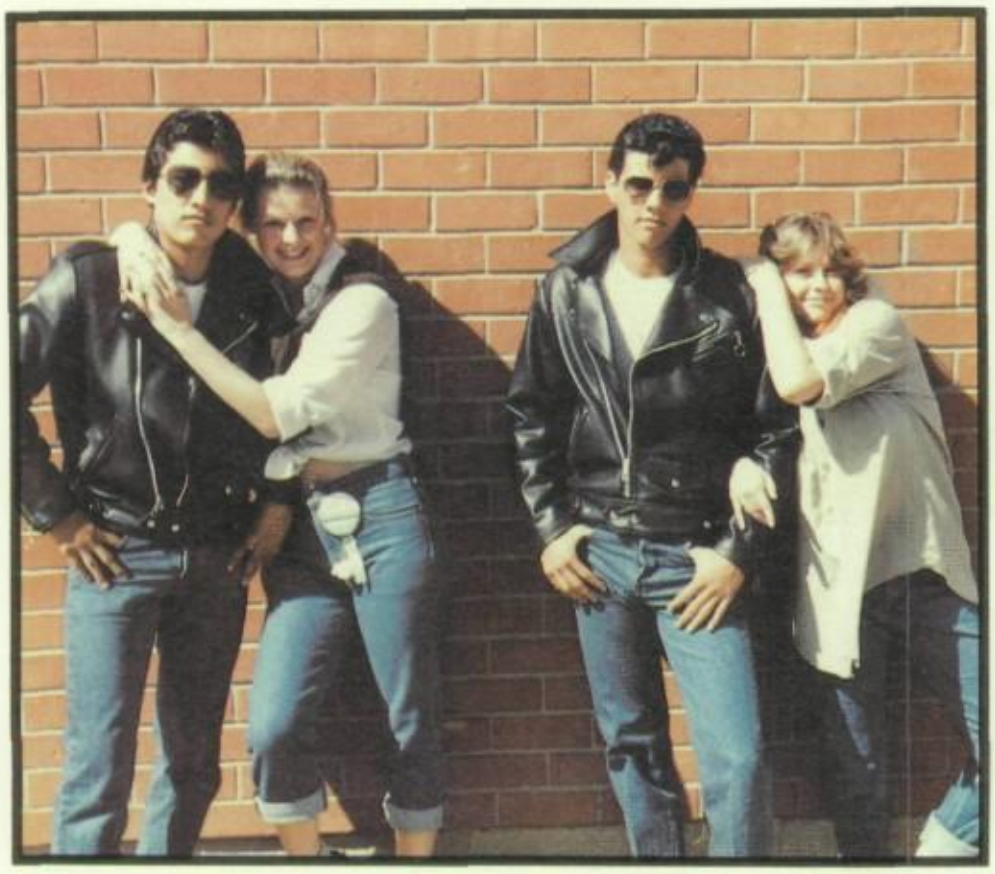


Top- Janet Bauman, smile! You're on Candid Camera. Bottom Left- Steve Abrams & Frank Massey pig out during ICC Daze. Right- Amy Arnold, "sigh," another Monday.

ACTIVITIES

A-WEEK

Again this year, various activities compiled a week, leading up to the traditional Homecoming. Among these were Twin Day, Granny & Nerd Day, and the traditional 50s day. Also, spirit point contests were held, exceptional floats made, hallways decorated, and the jitterbug performed. Here are some colorful highlights from this memorable week.



Top Left: Move over, John and Olivia; here come Sammy Anaya, Randy Rodriguez, Gina Gregory and Jackie Bates. Top Right: Twins Laurie O'Donald and Jamie Wing ready to hit the diamond and play ball. Bottom Left: Are you a nerd of the eighties? Here's our staff: Michelle Plantz (secretary), Suzy Schiltz (treasurer), Andy Pongratz (president), and Sue Molnar (vice president). Bottom Right: Spirited Seniors Jon Voight and Prince Wallace go out for twin day.

Top left: Pack of panther punkers pause to pose for a picture. Bottom left: "Who me?" Says Barbara Hoge, caught red handed going for "one more" donut.

Top right: Ed "Heeks" Heacox and Jay "Toes" Weller - Don't they remind you of that blind date you'd like to forget? Bottom right: Carlos Briones once again refuses to take his monthly bath.

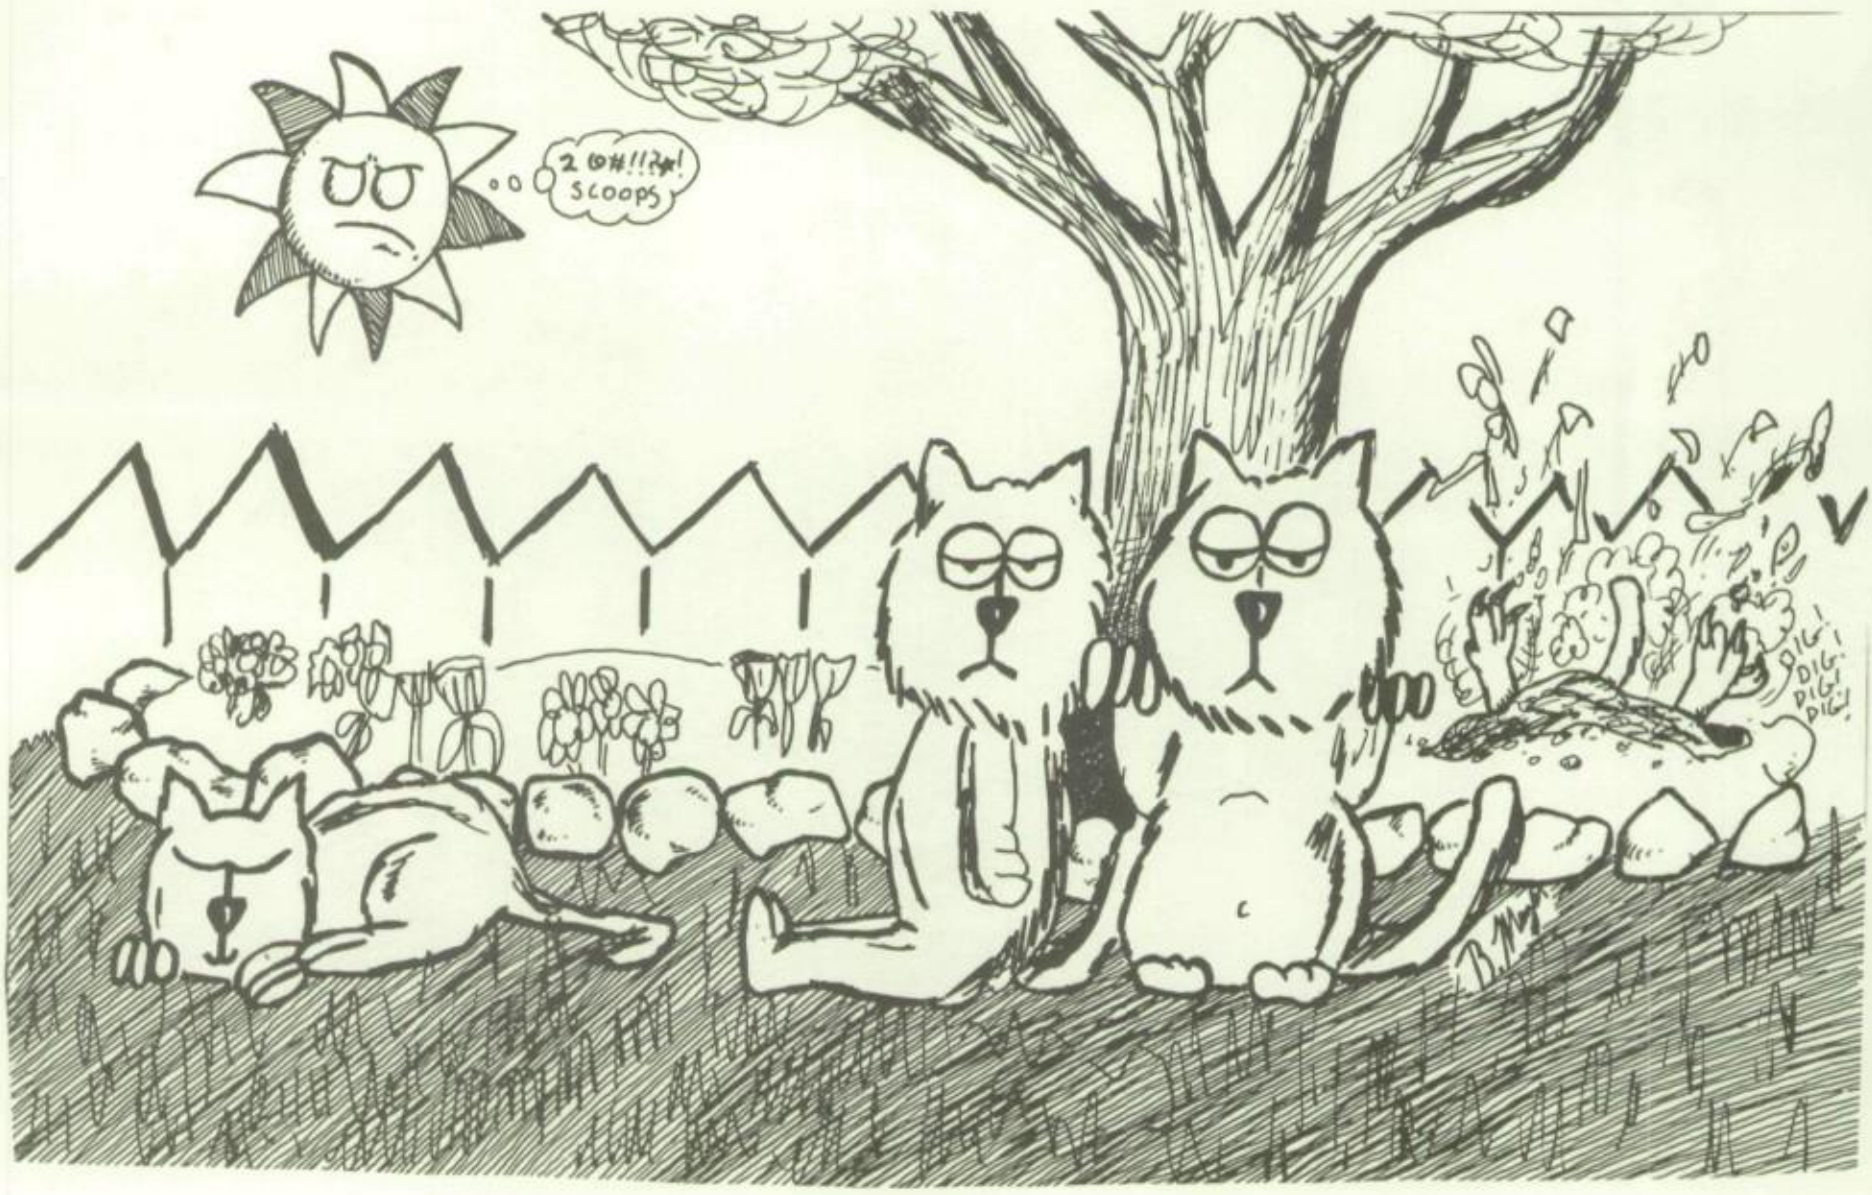
Mrs. Hipple is retiring from the faculty at the end of this school year. She has been a teacher of arts and crafts here at Amphi for 33 years. Born and raised in Columbia, Penn. in the heart of Pennsylvania Dutch Country, Katie Hipple graduated from Columbia College and began her teaching career in New York.

After retirement, she plans to travel to both the Orient and Europe. A lover of nature, she plans to do some camping and spend a great deal more time than she has in the past, working in her garden and enjoying her four cats.

One of her most memorable years was the year her classroom building burned down (at the fault of another party, she insists). She commented on how much she enjoyed her years at Amphi because, according to her, "the students and faculty have made the years memorable".



WOODSHOP CREATES CHRISTMAS TREE

The world's largest poinsettia-filled tree was produced by the 3rd year Cabinet crew and Welding classes. The finished tree held more than 7,000 poinsettias, 20,000 lights, and was 35' high. The classes were also commissioned to build Santa's house and a small booth for selling stockings. The Tucson Mall funded the entire operation and donated $1800 to the school. We are all proud of the magnificent work that our students accomplished and that everyone could enjoy.

Boyce, B. Rioux, J. Meley, A. Nipper, T. Bettis, M. Rusk. Front Row. L to R: C. Pederson, B. Matz, G. Simbari, C. Moreao, S. Adaya, Jr. Goedel, M. Petrick.

Climbing up a mountainside
Striving for the top
Hopes and aspirations, always present
in my mind.
Jagged rocks and slippery sand
all are overcome.
I've reached the top-I've won
The feeling of accomplishment
Suddenly pushed aside.
Now from the top I can see a star
not visible before.
The future now before me-
A longer, steeper climb.
Clouds of fear and insecurity
I can no longer see the star.
This isn't fair-I thought I was done.
Pangs of pain and indecision-
I want to stay right here.
Yet what if that star
Holds something better?
Barely time for celebration,
before the new journey must begin.
Reaching for the star, I hear its whisper-
You've only just begun.

Margo Meyer, Wendy Edwards, Charisse Santha, Kim Graeme, Ann Schooley, Dawn Mansker and flag girls get solarized.

Fall Punk fashions shown here by Christina Felix, Karin Erickson and Karen Acker. Love those boots Karin!

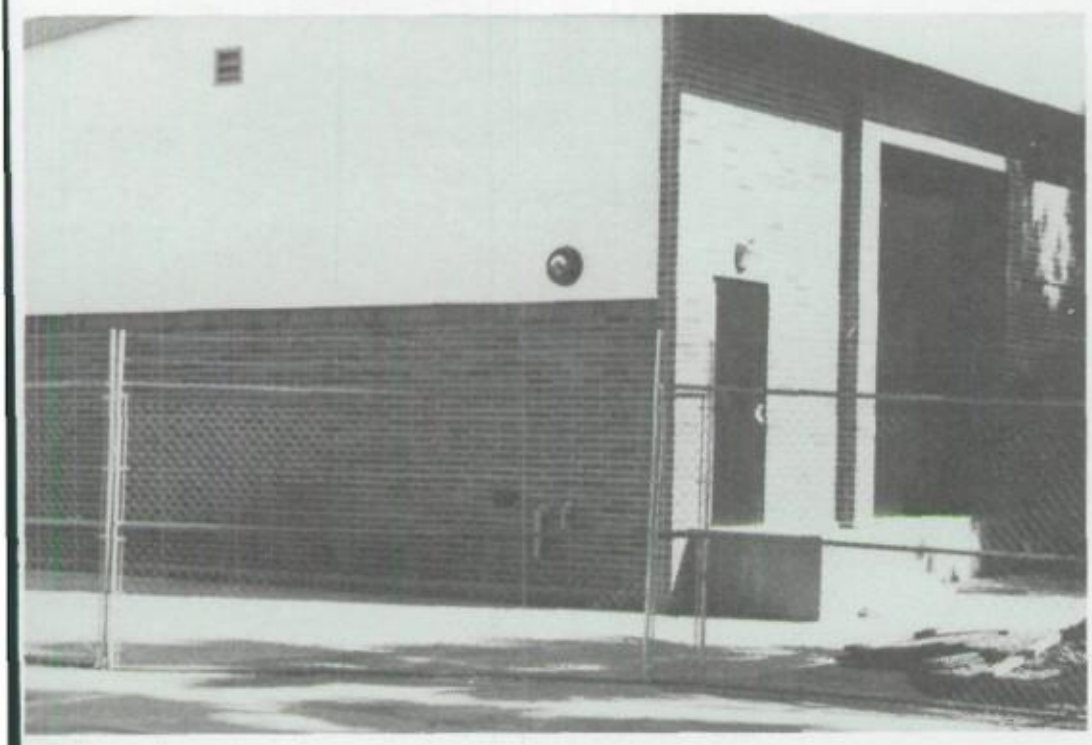
WHAT'S NEW AT AMPHI



This year at Amphi, students have experienced the effects of the arrival of many new campus improvements. Due to the increasing popularity of our computer programming classes, new computer equipment is now available for use. In the way of outdoor enjoyment, two new basketball courts have been built on the west side of our tennis courts. During the first semester, the Little Theater underwent vast improvements which added to the smoothness of production of plays presented by the drama departments. Finally, increasing interests in deisel equipment has lead to the creation of our new deisel shop, now located on Amphi's south-east corner.

LOS ANGELES — Automaker John Z. De Lorean, free today on $19 million bond after his indictment on federal drug trafficking charges, says he has "no idea" what will become of him or his failing sports car company.

De Lorean posted bond yesterday and was released after 11 days behind bars. Media attention was so great that a press car figured in a minor traffic accident as his black Jaguar sped away from the federal prison.

Earlier yesterday, the former General Motors Corp. executive was indicted by a federal grand jury on [illegible] trafficking and

Udall tosses hat out of the ring

By PHIL HAMILTON
Citizen Political Writer

Rep. Morris K. Udall, perhaps not fully recovered from the malady often referred to as "Potomac fever," but unable to come up with a formula for winning, has decided not to seek the Democratic nomination for president in 1984.

However, Udall said he hopes to attend the next national convention as Arizona's "favorite son," and pledged to be an advocate for the progressive platform and for those candidates who support it.

County jobless rate expected to reach 10

By BILL ACTON

PHOENIX — Pima County's unemployment rate, which hit 9.2 percent in September, may be in double digits soon, says a state labor analyst.

A 10 percent Pima County unemployment rate "wouldn't surprise me" in coming months, labor analyst Don Anderson said today as he released the gloomy September

county of enough jobs to push the rate over the 10 percent mark, he said.

The national unemployment rate shot over the double-digit mark in September, to 10.1 percent. Arizona's rate was 9.8 per and Maricopa County's was 9.7 percent.

In Pima County, 22,800 out of a total civilian labor force of 220,300 are out of work, according to

ple than expected.

Overall government employment wasn't higher, but for some reason hiring occurred sooner than in previous years, Anderson said. Government hiring in the fall normally is spread over two months, he said. The government sector added 2,000 jobs in September.

A Tucson man was in critical condition after being hit by lightning yesterday but was lucky to be alive, thanks to a 16-year-old boy who helped revive him, a Fire Department official said.

Francis Hurrle, 23, of the 2300 block of East Fort Lowell Road, was taken to St. Mary's Hospital after being struck directly in the chest at the Silverbell Golf Course, 3600 N. Silverbell Road, at about 4 p.m.

"If he makes it, there's no doubt in our minds that this young boy saved his life," fire Capt. Duane Stutz said.

Tad Jewell, who was on the course with other members of the Amphitheater High School golf team, immediately administered cardiopulmonary resuscitation to Hurrle, whose heart had stopped beating, Stutz said. The bolt entered through the man's chest and exited through his feet, he said.

Jewell, of the 5100 block of North Hidden Valley Road, said he was in the clubhouse with his teammates after a practice round when he saw a man running from the 18th hole to get out of the pouring rain. Moments later, he said, he heard a loud clap of thunder, then saw the man lying on the ground just off the green.

Jewell said he reacted "out of curiosity" by running to the man's side with a small group of golfers who braved the rain to see if they could help.

"When I got there, he was just lying there," said Jewell. "I just started pounding on his chest."

Jewell was still doing CPR when an unidentified man took over, and than Jewell administered mouth-to-mouth resuscitation until paramedics arrived.

It wasn't until Hurrle was en route to the hospital that his heart began beating again, and it wasn't until Jewell went there himself that he learned the man was still alive.

"I was upset," he said. "He still had no pulse when they took him, and we had worked on him so long, I didn't think he was alive."

Rip DePascal, Amphi's golf coach, said: "It was still raining, and there was still lightning out, but Tad didn't even think about that. . . . What's really fantastic is that he forgot the danger and went out and did what he had to do.

"It was a frightening situation for a 16-year-old kid," DePascal said. "He broke down and cried; he thought the young man had died."

In recalling the incident last night, Jewell said he was grateful that he had learned CPR and mouth-to-mouth resuscitation in his swimming and scuba diving classes.

"I'm happy I knew how to do it," he said, "but I never thought I would have to use it."

TWIRP WEEK

The 1983 Twirp Week was January 31st to February 4th.

Twirp Follies, the traditional stage show, officially began the activities on February 1st, 2nd period.

February 2nd, air bands were showing their style during both lunches.

February 3rd, period 3, was spent with the Little Rascals, Bugs Bunny and the Roadrunner.

Friday, a "few" lucky fellows received flowers with special messages.

The end of a great week was the sock-hop after the basketball game against Saguaro.

The Junior class traditionally sponsors Twirp Week, and all proceeds go toward the Junior/Senior prom.

BAND

The Amphi Band, very active in school affairs, inspires spirit at a variety of events. From the football field to the concert stage, the band sets the scene for an enjoyable time. The band plays for all ages, with an assortment of classical, pop, and disco music. This year, they raised funds by working at Sears in the gift-wrapping department, having car washes, and selling crafts. Participating with other schools all over Arizona, the Amphi Band won "excellents" on Band Days at ASU and the U of A.

DRAMA

With the aid of additional facilities, which provided more room for building sets, Amphi's Drama Department produced five plays this year: "Anne of Green Gables," "The Diary of Anne Frank," "The Effect of Gamma Rays on Man in the Moon Marigolds," "M*A*S*H," and "You Can't Take it With You." The biggest hits of the year were "M*A*S*H" and "Anne Frank". D.E.C.A.

DECA, Distributive Education Clubs of America, gives students in Marketing, Merchandising, and Fashion Merchandising classes, the opportunity to utilize their skills in paying jobs. This year's members raised funds by sponsoring weekly popcorn sales, a Jog-a-thon, and a Punk dance. DECA also sponsored a Halloween party for the mentally handicapped. The majority of DECA's funds go toward its annual state convention.

INTER-CLUB COUNCIL

Inter-Club Council, closely related to Student Council, regulates the activities of Amphi's clubs and tries to avoid conflicts between clubs sponsoring simultaneous fund-raisers involving the same product. With the addition of three new clubs this year, ICC has grown considerably with the guidance of Rip Depascal and Pat Lennon. Every two weeks, representatives from each club gather to discuss and resolve important club issues. ICC also decides each club of the month.

FFA

FFA is a nation-wide organization based on what is taught in Vocational Agriculture classes. In-class instruction is combined with special activities to make agriculture more meaningful to students. The club is designed to teach leadership and cooperation. Much hard work, patience and a little bit of luck are the ingredients making up this year's FFA. Advised by Joene Ames and Jose Bernell, more than 100 members completed another successful year. Amphi's livestock team competed in the National Convention. FFA members sold concessions at the Rodeo to raise money for the parent-member banquet, awards and recreations.

COE

Amphi's COE, Cooperative Office Education, is dedicated to the basic purpose of promoting communication between students and the business community. This year they sponsored a number of bake sales, candy sales, and a stationery sale to raise money for two scholarships and provide for the annual employer-employee banquet, held in April.

KEY CLUB

The Key Club is a community service club sponsored by the Tucson Kiwanias and advised by Mr. Lennan.

This year the fifty members worked hard at various fundraisers. These included sponsoring a toy drive and a dance, ringing bells for the Salvation Army, and helping the March of Dimes Haunted House.

Funds were used to help the community and to send some members to a convention at the end of the year. Congratulations on a successful year!!!

There are two outstanding features in this yearbook, never before presented at Amphi. Senior pictures are in color, and we have two artists designing our "original" art.

In spite of late deadlines, mass confusion and other assorted mishaps, we are all proud to present this creation of ours to you. Enjoy!

FROM TUCSON TO NEW YORK

This year Amphi added something new to their many activities. The "domestic exchange" program, sponsored by the National Association of Secondary School Principals. Unlike the case of the foreign exchange student who travels abroad for a year, this program exposes teens for a shorter periods of time to experiences within the U.S. that they might not otherwise have a chance to enjoy. This year Amphi is playing the guest-and-host roles with twenty students from Long Island, New York. The visit here was scheduled to coincide with Rodeo Week to give the Easterners a feel for the "Wild West." Besides the rodeo and parade, trips to San Xavier Mission, Old Tucson, the Arizona-Sonora Desert Museum, Sabino Canyon, the Gaslight Theater and Nogales, there was also a dinner at the Triple C Chuckwagon Ranch and a hayride at Westward Look Resort. The New Yorkers were surprised at the differences in scenery between the two areas and the differences in dress, for example, there aren't any skyscrapers in Tucson, andthere aren't any Levi button-up jeans in N.Y. On April 19th, twnety-two students from Amphi will be leaving for a week long visit to Long Island, N.Y. The students from "Carey" High School will have a chance to show off the place they live with excursions to the Empire State Building, the Statue of Liberty, Central Park, a broadway performance, and a boat ride around Manhattan. This trip wouldn't have been possible without Rip DePascal, he chaperoned, and helped organized the whole trip and made it a lot of fun for us and the students from New York.

SPORTS

VARSITY FOOTBALL

Determination, commitment, talent, and pride were the backbone components of this years football team. It was a special team in many respects; gracious in victory, polite in defeat. The players demonstrated their abilities in all areas of play, achieving the impossible, surprising everyone on many occasions. They never gave up, instead they turned around and fought harder when the pressure was the greatest as was demonstrated in the post-season games against Cholla, Chandler, and in the semi-finals with last years state champs, Trevor Brown.

All in all the Panthers had a winning season and proved once again that the Amphi Panthers are a team to be reckoned with next year. The team and the coaches have a lot to be proud of so here is a wish for good luck and continued excellence in the future.

The Amphi boys Cross Country team had a good turnout this season, and turned in a 15-3 record. Chris Caldwell gave the team added hope by placing first at state and second at Western Regionals. Rincon gave the Panthers the most competitive meets, and unfortunately two defeats, and prepared them for their sixth place standing at Divisonals, as well as the North League Championship. Because of the loss of runners Steve Shabie and Chris Caldwell, the Panthers were dethroned from the #1 state rating.

The girls completed a perfect 15-0 dual-meet record, placed first at the Aztec Invitational, and second at the Doug Conley Invitational, divisionals, and state. Mary Curtin led the team, going undefeated through the entire season, and winning at divisionals and state. Other outstanding runners were Betsy Berg, placing third in state and divisionals; and Heidi Heywood, who placed eighth in divisionals and 14th at state.

VARSITY WRESTLING

The Amphi Wrestling team worked very hard this year. Their AAU season lasted from Nov. 1 to Feb. 14. The devoted team members lifted weights three days a week, and practiced the other two. Coached by Bob Templin, they overcame problems of inexperience and lack of consistency to finish second in the AAA Southern divisionals. Outstanding wrestlers were Jim Pledger, John Matim, Ron Smith, Jon Volpe, and Joey Soto.

VARSITY BOYS BASKETBALL

The 1982-83 varsity basketball team, coached by Steve Kanner, had a successful year. Although the team fell short of divisionals by one game, it placed fourth in the league. Too many times the games were a little too tough, but the team always put forth its best effort, exemplified in its 20 point victory over first place Catalina in the middle of the season. Shane Moncada led the city in scoring, and helped the team tremendously.

This year, the team will lose five players to graduation, but the excellent JV team will surely pick up the slack.

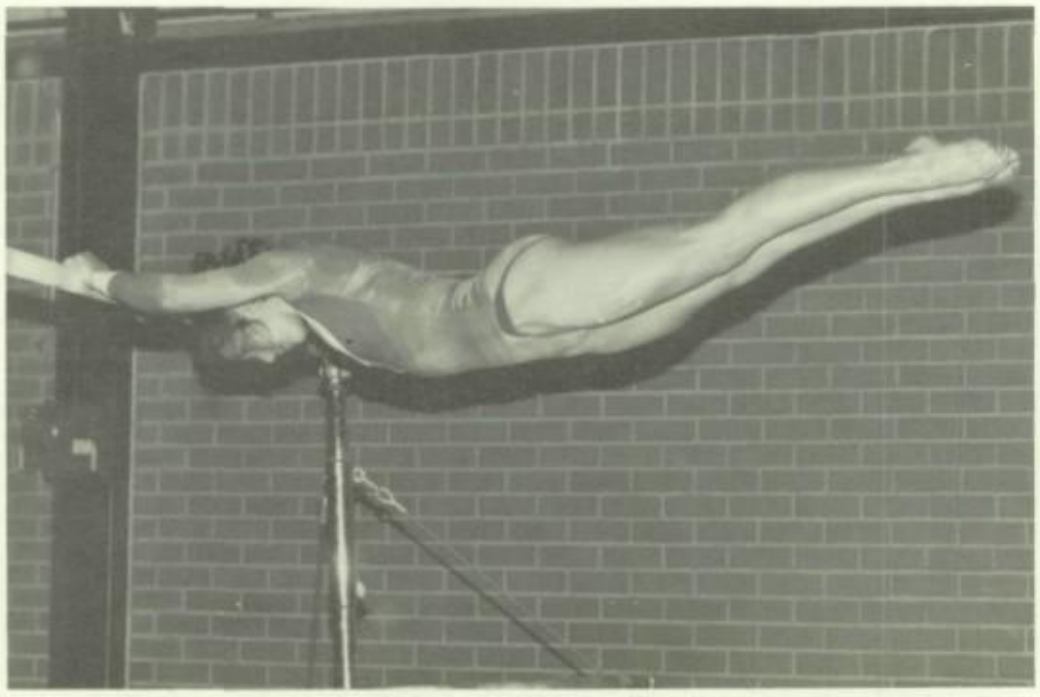
VARSITY GYMNASTICS



This year's 1982-83 gymnastics team is off to a terrific start with their first win against Sabino. We have a great team and the girls plan to continue their flawless record which they held last year. At the end of their 1981-82 season the varsity team ended up with eight wins and zero losses. They competed in the AAA Southern Divisionals at CDO and took first place among the seven teams. That then brought them to the state finals in which they placed third. Coaches Marie Daugherty and Holly Smith are doing a great job coaching this year's team, and they know it is going to be an excellent season!

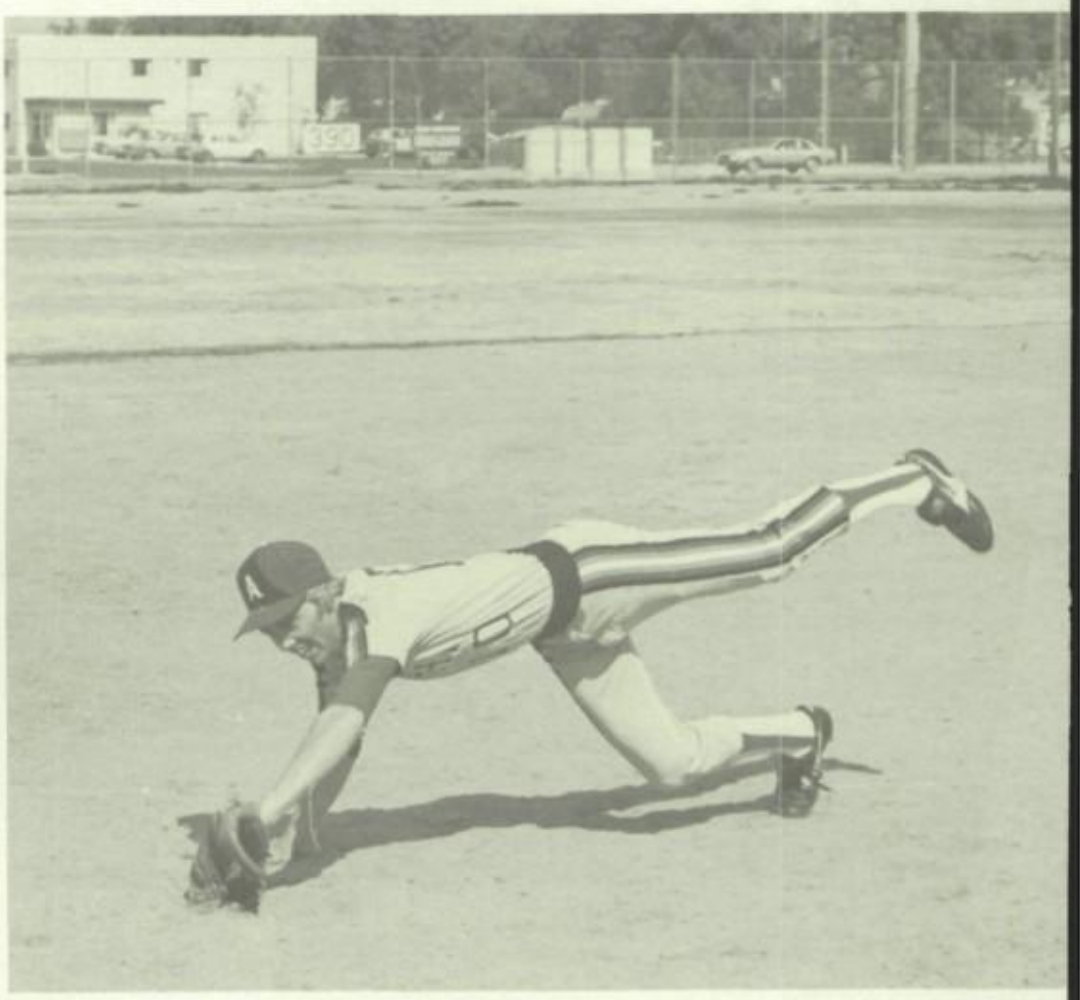
VARSITY BASKETBALL



Experience was the main question in Varsity Baseball Coach Bud Warnke's mind this year. With only three returning starters from last year's 13-10 team, Warnke will have his hands full. Scott Olson, Kevin Boyle and Joel Anderson are the three returning starters, and they will be the foundation for the 1982-83 team. This year's team has shown much talent in the first part of the season, as they defeated the Defending State Champion Sahuaro Cougars and the Defending Southern Division Champion Santa Rita Eagles. Getting to the state finals will be difficult, but the Panthers have set this as their goal. The yearbook staff wishes the team luck in the fulfillment of that goal.

After last year's 12-0 record, the divisional championship, and a fourth place finish at state, this year's Track team has high hopes, according to Head Coach Raul Nido. He expects the toughest competition from Cholla and Santa Rita, who have excellent sprinters. Cary Edwards and Bernie Wharton head Amphi's sprinters, while Chris Caldwell and Steve Shabie lead the distance runners. Other strong competitors are: Eric Davis & Mark Morse, long jump; Chris Garcia, Greg DeFoor, Tony Dougherty, and Scott Schorzman, shot & discus; Phil Adams, high jump; and Brent VanKoeveung, Jacques Pan Kita & Eric Dowdle, hurdles. Nido is proud of the exceptional dedication of so many athletes.

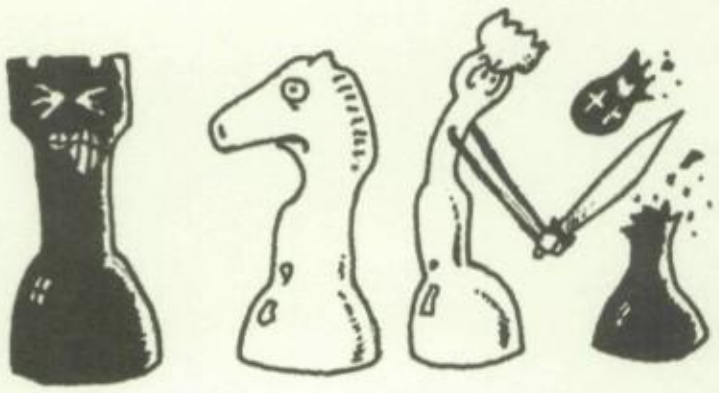
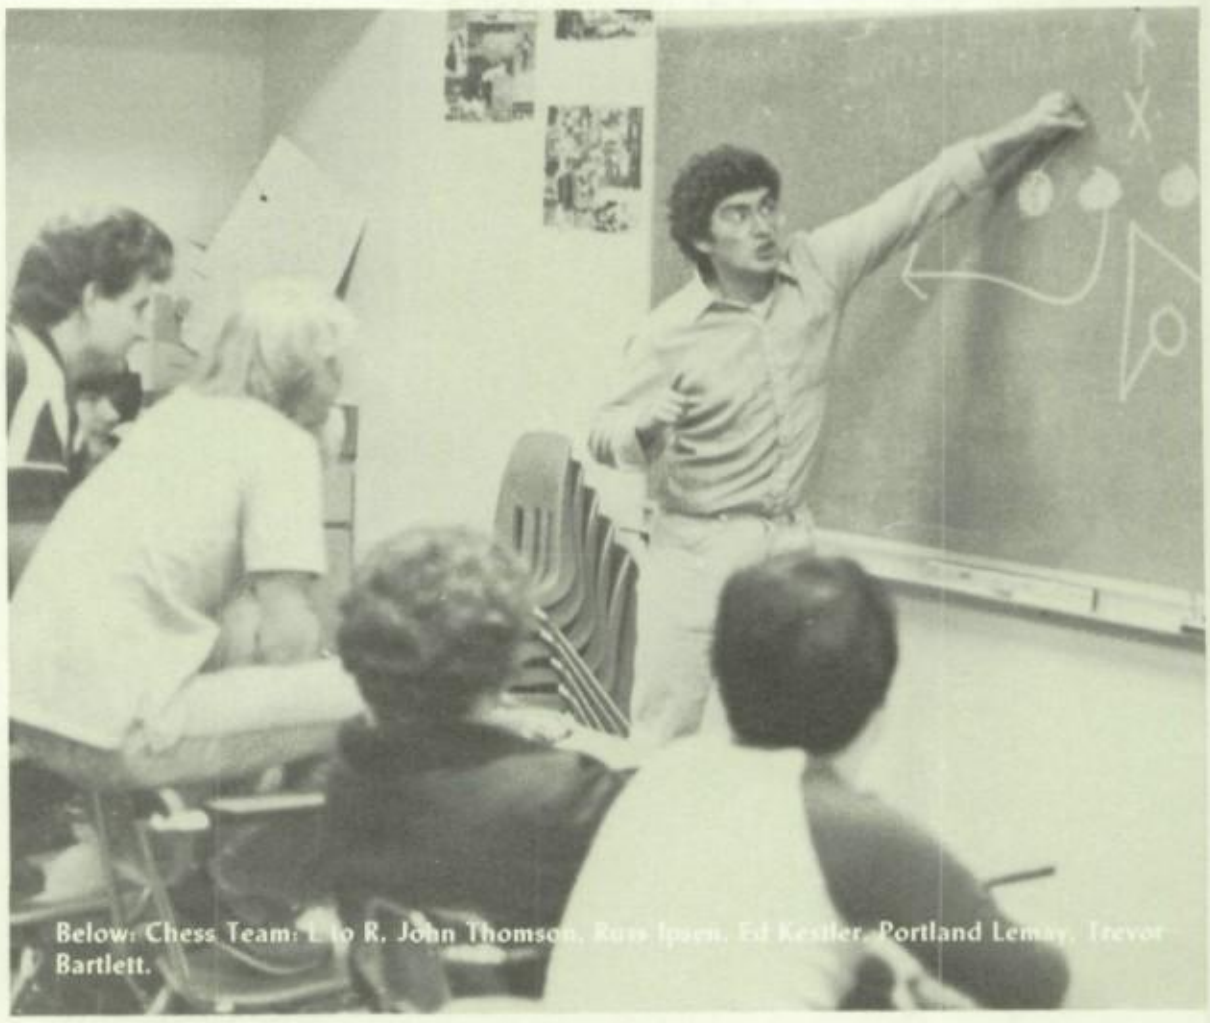
CHESS

Chess Team: The chess team has participated in the Region IV (Southern Region of the State) tournaments, the Tucson open, in which they took a 6th place finish. Following are people who have lettered in chess: Trevor Bartlett, Steve Wood, Ken Brannon, Russ Ispen, Portland Lemay, Ed Kesstler, and Mark Mc Carthy. Outstanding members are Juniors: Bartlett, Lemay, and Wood, who occasionally provided maturing influence for the freshman and sophomores and could prove champions in the state championships the next 3 years.





Below: Chess Team: L to R, John Thomson, Russ Ispen, Ed Kesstler, Portland Lemay, Trevor Bartlett.

This paper
may crumble,
the ink someday fade. . .
But never the memories
of friends
I have made!

GOSH! I WONDER WHAT FIENDISH ACT I'VE PERPETRATED?

Y-YOU DON'T THINK HE KNOWS THAT I WAS THE ONE WHO PAINTED ALL THE CARS IN THE PARKING LOT BLACK...

LUNCH TO TUNA TAC

LOBSTER

WITNESS THE BEGINNING OF PARANOIA

OR....OR MAYBE HE FOUND OUT THAT I'VE BEEN SELLING COUNTERFEIT LUNCH TICKETS....

GEK

EKTON

OR HE MIGHT HAVE FOUND THE "EXCUSED" STAMP IN MY LOCKER.... OR MAYBE IT'S MY 56 TARDIES...OR...

NEXT!!

NGNGNGH!

I JUST WANTED TO INFORM YOU THAT YOU'VE BEEN NOMINATED FOR THE LOCKER CLEANLINESS AWARD, CONGRATULATIONS.
